Plan of Work

Tebbe outlined plan of work update for 2009 that includes alternate energy, education and workforce development, G-RAMP and support of the JCA training mission at Robins. Tebbe applauded community for garnering \$300k in support for a simulator building for JCA program at Robins. Tebbe finished by adding community support for groups like AFA is needed now more than ever. Jack Steed added to that by revealing highlights for AF this year and encouraged enrollment.
